## **Concerto Cloud Services Ranked Among Top 20 Global Cloud Services Providers in 6<sup>th</sup> Annual Global Talkin' Cloud 100 Report**

**TAMPA – (September XX, 2016) – [Concerto Cloud Services](#)** ranks 19 among the world's Top 100 cloud services providers (CSPs), according to Penton's sixth-annual Talkin' Cloud 100 report.

The full report is available now by visiting <http://www.talkincloud.com/tc100>.

Based on data from Talkin' Cloud's online survey, conducted from June to August 2016, the Talkin' Cloud 100 list recognizes top cloud services providers (CSPs) from around the world, considering annual cloud services revenue growth, and input from Penton Technology's Channel editors.

"Our ranking in the Talkin' Cloud 100 report demonstrates our dedication to providing our customers with a secure and reliable cloud infrastructure that scales to meet their business needs," said Tony DiBenedetto, CEO of Concerto Cloud Services. "We will continue to strive to improve our cloud offering so that our customers can focus on their areas of expertise and strategic growth initiatives without having to worry about managing a complex IT infrastructure."

"On behalf of Penton and Talkin' Cloud, I would like to congratulate Concerto Cloud Services for its recognition as a Talkin' Cloud 100 honoree," said Nicole Henderson, Editor in Chief, Talkin' Cloud. "Cloud services providers on the Talkin' Cloud 100 set themselves apart through innovative cloud offerings and new support models, demonstrating a deep understanding of their customers' needs and future cloud opportunities."

Talkin' Cloud, produced by Penton, is the go-to resource to learn about the business of cloud. Talkin' Cloud features news, research, Channel Expert Hour Webcasts, FastChat videos, and more.

### **About Concerto Cloud Services**

Concerto Cloud Services is a fully managed cloud provider for mission-critical applications. Concerto makes IT easy by offering seamless integrations, complete infrastructure management and flexible deployments across virtual private, public and hybrid clouds. The Concerto team helps organizations use the cloud to reduce IT challenges and drive business growth through an application-centric approach and best-in-class technologies developed by Microsoft, Cisco, AWS and other leading providers. Advanced compliance and regulatory certifications, rigorous security protocols and a 99.99 percent guaranteed uptime are part of Concerto's "Premium Comes Standard" offering and have earned the company recognition as a top global cloud service provider.
